

Join us for a

St. Patrick's Day Party!

March 17, 18, & 19

There will be one (1) raffle ticket handed out to all players who enter the casino. Players must hang on to their raffle ticket all day. The raffle ticket number will be assigned to the player's name and player ID. Within every hour, from 10am to 12 midnight, an employee will draw up to three raffle ticket numbers from the raffle ticket drawing container.

Each raffle ticket number called will have 30 seconds to make their presence known. If the number called is present, they will choose an icon on the Prize board and receive the prize in the envelope beneath the icon. The prizes may range from no prize, free slot play, or cash. If the present number called picks a "no prize" icon, the drawing is over for that hour. A maximum of three tickets will be called per drawing. When the raffle ticket winner is present to win, their ticket will go back in the container to be eligible to win more drawings. The same person may win a maximum of 3 drawings per gaming day. If the ticket winner is not present, their ticket number will not go back into the container and another raffle ticket will not be issued.

If you are wearing a Wild Card Saloon or Sasquatch Casino t-shirt, hoodie, or coat, you will receive an additional \$5 bonus added to your prize every time your ticket number is called and present to win. T-shirts, hoodies, or coats will not be given out to anyone – you must already possess the item. Clothing must be visibly noticeable to the employee at time of drawing in order to receive bonus.
